

Department of Physiology

Awards Achievements

Dr. S Arrthy

- Winner - Inter-medical post graduate quiz contest, at Madurai medical college.
- 1st runner up - Inter college quiz competition in APTCON 2010, at Coimbatore medical college.
- Winner – oral paper presentation at Annual conference of associations of physiologists of Tamilnadu, APTCON 2012 at Madurai medical college.
- Attended revised basic course workshop in medical education technologies in June 2019 under MCI regional centre for medical education technologies, St Johns medical college, Bangalore
- Attended curriculum implementation support program I on 27th & 28th Jan 2021, under Nodal centre for faculty development, St Johns medical college, Bangalore
- Completed basic course in biomedical research in August 2022
- Conducted online webinar on neurophysiology in clinical practice at Shridevi institute of medical sciences and research hospital in May 2024
- Attended and completed certificate course in evidence based diabetes mellitus in June 2024

Dr. Omkar NG

1. Completed revised basic course work shop (RBCW) on Medical education Technologies July 2017
2. Completed curricular implementation and support program CISP on June 2019
3. Completed basic course in Biomedical research (BCBR) March 2022. With score of 81%
4. Completed Foundation course in education methodologies (FCEM) January 2024. With score of 96.6%

Dr. Sved Sadat Ali

1. Currently working as associate editor in annals of medical physiology
2. Has worked as editor in chief in annals of health & health sciences
3. Member in advisory board of more than three scientific medical journals
4. Completed SCEM in educational methodologies under Rguhs July 2024
5. Got selected and perceiving phd in medical education
6. Presented E posture at AIIMS, Raebareli on 24/05/ 2024
7. Working as member secretary for association of physiologist and Pharmacologist (APPI)
8. Completed FAIMER fellow in 2015
9. Published 35 research papers in indexed journals with 610 citations with h index of 10 and i10 index of 100

Dr. Pravallika P

1. I have done an Oral presentation titled Effect Of Moringa Oleifera Leaves On Hematological Profile Of Fluorosis Affected Rats was presented at a National conference with a theme of **Emerging Trends In Therapeutic Nutrition** organized by the Department of Clinical Nutrition and Dietetics, Sri Devaraj Urs Academy of Higher Education and Research, Tamaka, Kolar, on 28th & 29th April 2021 and won first prize for the same.
2. For winning first prize in oral presentation got commendation certificate from University.
3. I have done an Oral presentation titled Effect of mobile phone radio frequency electromagnetic radiations on Neuronal specific enolase and Malonaldehyde levels in Sprague dawley rats was presented at a international conference with a theme of **recent advances in medical sciences** organized by the Department of Physiology, Yenepoya medical college, Manglore on 1st to 3rd July 2021.
4. I was organising member for conducting a guest lecture on Articulate with Aplomb on 6th March 2020.
5. I was organising member for conducting an International Obesity day on 4th March 2021.

6. I was organising member for conducting National Virtual CME on Intermittent Fasting in Health Disease on 30th July 2021.
7. I was organising member for conducting World sleep day on 18th March 2022
8. I was organising member for conducting National level hybrid CME on Neurophysiological mechanism of addiction 26th August 2022
9. I have cleared BCBR exam conducted by ICMR
10. Published 15 research papers in indexed journals(Pubmed,Scopus& web of science) with 26 citations
11. Completed a project funded by University

Dr. Nisar Ahmed

1. Completed Foundation Course in Educational Methodology(FCEM) held during January 2024 on RAATI LMS(Certificate No: 3001241308) under the athesis of RGUHS
2. Successfully completed the EBSCO Training on NEBSO Medical and Health Databases on 20th December 2024
3. Attended Online Webinar on “ Neuro Physiology in Clinical Practice” as a Organizing Committee Member held on 16th May 2024 organized by Department of Physiology, SIMS & RH, Tumkur

Guest Speaker

1. Invited as a Guest Speaker on the Topic, Preparing Research Proposal (Choosing a Suitable Research Topic) on the occasion of starting MD(Unani) course on 28th December 2023,organized by Department of Pharmacology, GUMC,Chennai.
2. Invited as a Guest Speaker on the Topic, UNANI SYSTEM OF MEDICINE FUTURE PROSPECTS AND SCOPE OF PRACTICE on 12th November 2023,organized by UNICON 2023. Under the athesis of TNUDF.

Dr. Tabassum Fathima

1. Have attended online webinar on “ Neuro Physiology in Clinical Practice” as a organizing commette member held on 16/05/2024 organized by department of Physiology at Sims& RH, Tumkur
